Close 3-9X more transactions

Follow the winning path.

We've run the numbers—Keller Williams associates report 3-9 times more transactions when they follow four best practices using eEdge and Pro add-ons. Learn what you can do to multiply your closings.

Your strategy for closing more transactions:

1. Be a Pro

Associates using Market Leader Pro **close 4X more transactions**. Powerful Pro tools for lead generation, effective marketing, and contact management will help you take your business even further.

2. Get your 40

Agents who add over 40 leads to their system per month **close 5X more transactions**. Need help getting there? Market Leader's HouseValues and Leads Direct products can deliver a guaranteed number of exclusive leads every month to grow your business.

3. Follow up every day

Agents who log in every day to their Pro system **close 9X more transactions**. When you contact leads quickly, you'll win more clients than ever. eEdge on the Go allows you to respond no matter where you are.

4. Engage with your contacts

Agents with over 50% of their contacts on listing alerts or campaigns **close 3X more transactions**. Why not let the system do the work for you? It's a quick step to take every time you receive a lead. Pro makes it a snap.
