Re-Engagement

Subject: It's been a while...

Just making sure that everything is O.K. I noticed that you haven't been looking at homes lately and wanted to see if you were still interested. Just reply to this email with a 1, 2, or 3 and let me know if:

1. If you're looking to buy soon but weren't finding what you wanted. We can chat, text or email at your convenience to refine your information and get you back on track.
2. If you're looking to buy in the future and need more time to "browse"...I want to make sure I'm sending you the right stuff based on your needs.
3. If you already bought and forgot about me, I'll be sad but I don't want to send you information you don't want.

Looking forward to hearing from you.

Re-Engagement

Subject: I miss you!

I noticed you haven't been back my website in a while. I hope that means you've found what you're looking for; however if not, please feel free to browse the most up-to-date listings and market/neighborhood information.

If there's anything I can do to help, don't hesitate to ask!
Thank you very much.

★ If they're unresponsive, try sending this from another email account too

Re-Engagement

Subject: Sheldon

Are you still looking to buy a home?

Subject: Jenn

Are you still looking to sell your home?

You Dropped the Ball

Subject: It's been too long

I can't believe I haven't touched base with you lately. How've you been? How's your home search going? Some new homes hit the market this week and I thought of you. Would you like me to send you the info?

Subject: It's been too long

I can't believe I haven't touched base with you lately. How've you been? The market in your area has really been heating up, which made me think of you. Would you like me to send you an updated market evaluation for your home?

Totally Non-Responsive

Subject: Hello? Is it me you're looking for?

A few months ago, you were on my website looking at properties in XX, and I noticed it's been a while since you've been back. If you are no longer on the hunt for a new home, I surely don't want to continue taking up space in your inbox.

I clean up my email list often, so if you are still searching, please reply to this email and let me know, and feel free to use my website – it's updated frequently with real-time MLS listings and market information.

If I don't hear from you, I'm happy to take you off my list. Thanks, and have a great day!

Did They Unsubscribe?

- Check to see what they unsubscribed from
- Email them and ask they why they opted out

I noticed you unsubscribed from my emails, and I just wanted to ask why? Was I emailing you too often? Or was the content not quite right? Did I miss the mark?

Either way, I will be sure to stop your emails, however if you simply wanted different or less frequent information, please let me know, so I can tailor the content and timing to your needs. In the meantime, feel free to visit my website for up-to-date listings and market info in your area.

Thank you very much.
